

# Youth & Children's Ministry Strategist

Central United Methodist Church  
30 Union Street North | Concord, NC

Central UMC, a historic downtown church seeking to serve our community, seeks one full-time OR two part-time team members to steward our dynamic ministries with students. Candidates should have experience in working with students, formal education related to ministry/education, and commitment to servant leadership.

## Job Description

### Connect

Foster and nurture an environment of connection not only with and between students, but also their families, church staff & congregation, and wider community.

### Communicate

Maintain open and compelling communication channels so that students, families, volunteers, and the wider church understand how they can connect with, support, and celebrate student discipleship.

### Advocate

Steward physical, emotional, and spiritual safety for students through Safe Sanctuaries policy training and implementation, Nursery oversight, and helping the congregation understand and respond to student needs.

### Collaborate

Collaborate with staff, volunteers, and students to develop and implement both regular and special opportunities for growth as disciples and participation in worship, leadership, and service.
